AIM: LOOKING AT HOW ALL OUR CLIENTS' SCHOOLS CAN PROSPER THROUGH THE COMPREHENSIVE MEASURES SETUP BY THE BOARD MEMBERS. THAT IS, THROUGH PLE STANDARD WEEKLY ASSESSMENTS, WORKSHOPS, HOMEWORKS, PLE TIPS ETC

VISION: TO BECOME THE LEADING AND MOST INFLUENTIAL EXAMINATION BODY IN UGANDA UNDER THE GUIDANCE OF OUR EXPERTS FROM UNEB.

MISSION: TO ENSURE THAT ALL CHILDREN UNDER OUR PLE STANDARD WEEKLY EXAMS PASS IN DISTINCTIONS BECAUSE THIS IS VERY POSSIBLE SO LONG AS THE SCHOOL OWNERS REMAINS INTACT WITH US TILL THE LAST MINUTE

The Cranes Examinations Board started by giving soft copies mostly because they can be affordable by almost all schools. We decided to help schools that need good results from PLE in their respective schools.

The body designed a very good plan through which items will be given out to all members on the main platform. All members who have fully paid **shs. 50,000** as membership fee will always be given **BOT, MID, EOT, HOMEWORK BOOKLETS, NOTES, SCHEMES, TR'S DAILY SUPERVISION TOOL AND HOLIDAY PACKAGES** for free for a full year. We are doing it in order to help the needy schools as well and some individual teachers who have paid membership fee from their own salaries.

After a member has paid membership fee, we shall also want some serious schools that will be grabbing **PLE STANDARD WEEKLY EXAMS** at **shs. 20,000** inclusive of marking guides every week on Wednesday. This small money was proposed and finally decided by **THE CRANES EXAMINATIONS BOARD** in order to help us pay the **UNEB EXAMINERS, TYPISTS** etc.

We **ONLY** need serious schools that need **DISTINCTIONS** in **PLE** because our team has made everything possible to make all our candidates pass in **DIVISION 1**.

We also have excellent **UNEB EXAMINERS** who will be visiting schools for **INTERNAL WORKSHOPS** at a friendly amount.

The board will also ensure that it send its team to some serious schools for a performance inspection and supervision. The team will therefore come up with a detailed report showing how the inspected schools were found. Not only that but also they will make sure that they insert all the possible ways of how the discovered challenges can be worked up on as soon as possible.

The body is working tooth and nail to ensure that all candidates under **THE CRANES EXAMINATIONS BOARD** are offered **50 SETS** before the real **PLE 2025 clocks**. We have found out that getting **DISTINCTIONS** in all the four subjects requires maximum efforts hence hiring **UNEB EXAMINERS** to push us further.

NOTE:: OUR OFFICIAL PLE STANDARD WEEKLY SET ONE WILL BE RELEASED ON WEDNESDAY, **5TH FEBRUARY, 2025**. ALL THE PLE STANDARD WEEKLY EXAMS COST **shs.20,000**(SOFT COPIES) INCLUSIVE OF MARKING GUIDES,

Therefore, we ask all the concerned persons on this platform to comply to this suggestion in a positive manner immediately because we need seriousness here.
