DATE: / /

S.4 HOLIDAY PACKAGE.

Answer all the items

1. One of your family members is migrating from your village and he is planning to move out of the country and settle in one of the major cities in Africa. He has shown his interest in settling in Lagos of Nigeria or Johannesburg of South Africa. This is because he has realised that urban centres function in better ways compared to his village.

Task:

Write a detailed information to support the idea of one of your family members.

2. Forestry is one of the major activities taking place in the tropical country Gabon. Gabon is found in Africa with a variety of tropical rainforests. It is one of the major activities in Gabon. Some people look at the sector as a danger and others look at it as a blessing to the country.

Support Material

The table showing different tree species in Gabon.

Tree species	Percentage of trees(%)
Ebony	30
Mahogany	20
Red heart	15
Muruk	10
Green heart	13
Rose wood	12

Tasks:

- (a) Draw a suitable graph to show the information on the table.
- (b) Using the information provided in the text and table, write an article of about 500 words to convince the members of Gabon.

3. A friend of yours who have lived in Europe for a long period of time would like to Invest in Mining in Africa. He has been Investing in Mineral resources while he was in Europe but failed. This has made him to seek for your advice in the related field.

Task:

Write an advice note of about 300-500 words to help your friend.

4. The National Association has organized Conference in Uganda. The theme is about "Uganda the Pearl of Africa." The ambassador of UK is to attend this Conference and will use this opportunity to select 20 students to study from UK.

Task:

You have been chosen to represent your school at the Conference, prepare a written speech of about 500 words to be presented at the Conference.
