RE: NATIONAL MATHEMATICS CONTEST 2025

The **Uganda Mathematical Society** (UMS) is organizing the **National Mathematics Contest** for the year 2025 with the following aims:

- To stimulate and develop interest of Ugandan pupils and students in solving mathematical problems.
- To arouse critical, logical, investigative, methodical and analytical thinking when handling mathematical problems.
- To promote positive and health academic competition among pupils and students at national level.
- To popularize mathematics among pupils and students with a view of identifying prospective mathematicians while young.
- To identify Ugandan pupils and students who will participate in the **East African Mathematics Olympiad (EAMO)**, **Pan African Mathematics Olympiad (PAMO)**, **European Girls' Mathematics Olympiad (EGMO)**, **International Mathematics Summer Camp (IMSC)**, **International Mathematics Competition (IMC)**, **Junior Mathematics Olympiad (JMO)**, **East African Mathematics Junior Olympiad (EAMJO)** **African Olympiad Academy (AOA)**, and the **International Mathematics Olympiad (IMO)** for the year 2026.

PARTICIPANTS

Participants will be students from Universities, BTVETs, A-level and O-level secondary schools and pupils from primary schools all over Uganda.

QUESTIONS

Please note the following:

- Questions will not be syllabus based but will require common sense from participants.
- Questions will be purely for pleasure such that they stimulate the imagination of participants.
- Questions will be of general nature but will need ingenuity and creativity on the part of the participant.

THE CONTEST

There will be two written papers administered at Primary, O-level, and A-level. Questions for participants from BTVETs, and Universities will require participants to make research, type their solutions in either latex or word and convert into a pdf file.

PRIMARY: Each school is advised to encourage as many pupils as possible to participate in the contest especially P6 and P7 pupils. In each district or region, as may apply, participants will do the contest at one center under the supervision of Uganda Mathematical Society.

SECONDARY: Each school will register students for O-level and A-level to participate in the contest. For O-level, we encourage all S.3s and S.4s to participate. Paper I contest will be done at their respective schools. In each district or region, as may apply, participants will do Paper II contest at one center under the supervision of Uganda Mathematical Society.

UNIVERSITIES and BTVETs: All students in Universities and BTVETs are encouraged to participate in the NMC. Participants will be given one month to attempt the questions.

REGISTRATION

- 1) For each participant, a contest fee of Ug. Shs. **10,000** should be deposited on the UMS bank account:

Bank:	ABSA Bank Uganda
Account Name:	UGANDA MATHEMATICAL SOCIETY
Account number:	6007753878
Account Branch:	Kampala road
Payee:	School/Institution Name and payee Phone number

The deadline is 29th March, 2025 and late registration fee is an extra Ug. Shs. 1,000 per participant.

The contest fees above cover both Paper I and II. No more payments will be required in the entire year.

NOTE: Once the payment has been done by either a school or an individual, take a picture of the receipt and send it to Treasurer (0200955575) and Contest Coordinator (0200955574) for faster and smooth preparations.

- 2) Only those participants who meet the last date for payment of registration fees will participate in the contest.
- 3) **School Subscription:** Schools shall pay their subscription fees of Ug. Shs.50,000 together with the registration fees for the contestants.

TIMETABLE FOR THE 2025 NATIONAL MATHEMATICS CONTEST

- 1) Saturday **5th April, 2025** Paper I: Primary, O-level and A-level.
- 2) For University and BTVET's participants, questions will be sent on Wednesday **9th April, 2025** by email and the solutions will also have to be sent by email to umscoordinator@gmail.com by midnight of **9th May, 2025**.
- 3) Saturday **28th June, 2025** - Paper II: Primary, O-level and A-level (only those who would have qualified after paper I).
- 4) Friday **25th July, 2025** - Mathematics Teachers' conference at a fee of Ug. Shs 35,000 per teacher.
- 5) Saturday **26th July, 2025** - Uganda Mathematical Society (UMS) Annual General Meeting, Quiz and Prize/Certificate Giving Ceremony.
- 6) UMS 2025 almanac, Paper I and Paper II Centers are attached.
