### **Item 1**

Artists use principles of art and design to express feeling and emotions for designing artwork. They rather make an artwork a successful one or a failure. Phresh High school is planning to display different artworks of senior one students for parents to view on the visitation day of the term 3.

#### **Task;**

- (a) As a senior student, how do you understand the term principles and explain the different principles that you would use to come up with successful artwork that is needed on the visitation day. Identify some techniques of fabric decoration that can be made.

### **Item 2**

Drawing from nature is a source of ideas for the artist all over the world and gift from God. There are three grounds required for an artist to sketch from nature in order for an artist to produce a good painting.

#### **Task;**

Using the above guidance, present and explain the three grounds used in painting and identify using illustrations.

### **Item 3**

Artists normally study and make research on different artworks that were produced in the ancient Egyptian and pre historical art.

#### **Task.**

- (a) As a senior one student summarize the pre historical art according to the periods, techniques, style, materials and tools and the artworks in the pre-historical Art.  
(b) Identify the reasons for the existence of Ancient Egyptian art between the years you all know.

### **Item 4**
