# LAURIE COMPUTER CENTER

## UGANDA CERTIFICATE OF EDUCATION

### NATIONAL LOWER SECONDARY CURRICULUM

END OF TERM II 2024

SENIOR THREE

---

---

**DURATION:** 1 hour

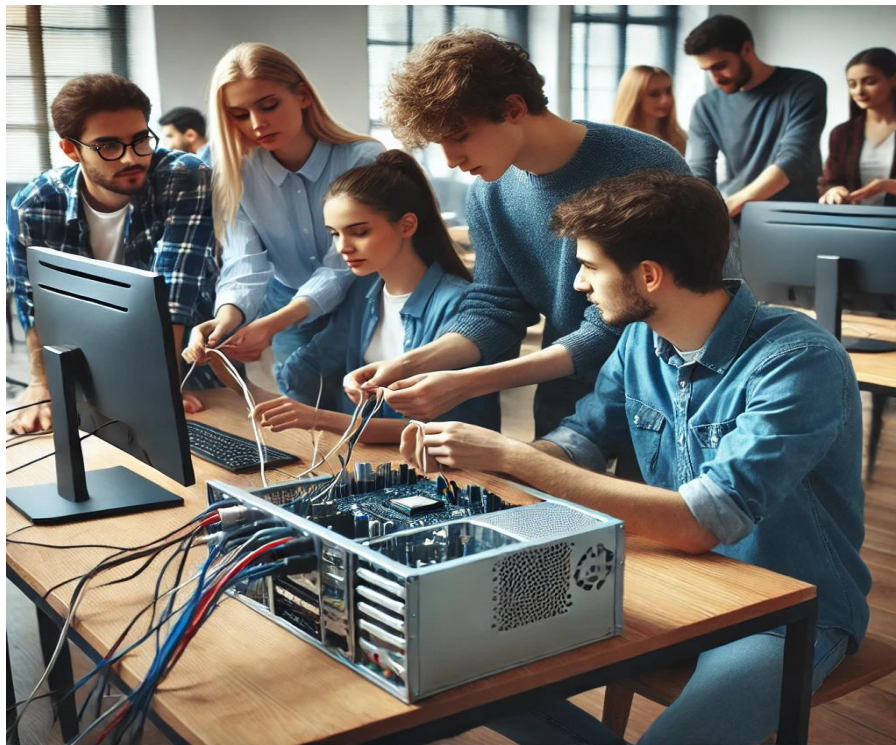

**INSTRUCTIONS:**

- *This paper comprises of one compulsory scenario-based question.*
- *More marks will be provided to well-detailed work, written in a good handwriting.*
- *All answers to this paper must be written in the spaces and on the scripts provided in the examinations room, using blue or black ink pens.*
- *Use of text and notes books or any other form of examination mal-practice will make the victims face disciplinary action,*

## **CONTEXT:**

The school's administration has decided to widen the computer laboratory. For this reason, they have made several renovations on the building and have purchased a number of computer equipment. To cut the costs incurred, the headteacher thinks of using the senior three ICT class to help with setting up a new computer lab, organizing their digital workspaces, and producing well-formatted reports.

## **SUPPORT MATERIAL:**

## **TASK:**

As a student of senior three, guide your fellows on;

- a) Instructions on assembling the new computers and safely starting them up.
- b) Guidelines for creating and organizing digital folders for their coursework.
- c) Steps for using word processing software to create, format, edit, and print their lab reports.
