## MY APPRECIATION

CAVENDISH WHITE CLOSE

PLOT 82,LONDON

ENGLAND

28/ MAY /2019

My lovely Franklin,

It's been long time since I last talked to you! I hope everything is moving on well as you wish. Here in diaspora, we are experiencing summer and as you know temperatures are extreme. From the bottom of my heart, I really miss your company. Ever since I lost sight of you, I have hardly felt any love and happiness! Well, mountains do not converge but human beings do. I hope to see you next month since am going to be relieved of my duties for a month. It's a right for every servant in our company to have a paid leave every year. This is intended to renew his/ her body and mind.

I recall the days we use to take outing and enjoyed each other; it has remained a dream ever since I left our native land. Thanks for loving me. For sure, I have plenty thoughts to express but mere words cannot do it. Let me place you somewhere special in my heart! I pray that the Almighty brings us zero distance again and again.

I remain your lovely one and only.

Martha Birabwa.
