*Any additional item answered **will not** be scored*

All responses should be answered on answer booklets provided

Item 1

At your school, an art club has organized a debate about art and design for the motion **“That the Renaissance had a profoundly positive impact on the development of art and design, and its influence remains essential to contemporary creative expression”** this debate is intended to eradicate criticisms and ignorance about art contributions in the school and the community.

Task;

Assuming you are one of the proposers of the debate inform the audience about the different artists that happened to be in renaissance, their artworks and some of the techniques they discovered (identify at least 4 artists) and show how they improved art.

Item 2

In your community, there is a new developing nursery school where new artworks that can be used in both kindergarten and nursery. Among the artworks needed are some small houses that can be attractive to the kids.

Task;

Assuming you are one of the artists that have been employed and you are to use simple boxes to come up with the houses, borrowing ideas from the roman architecture and identify some components and styles that can be used to make the house attractive.

Item 3

Your parents from Nigeria have been able to come up with different kinds of textiles and all these fabrics are decorated differently and all look attractive because of the bright colours that were used for different techniques but the most beautiful fabrics are from is batik and everyone is yearning to have one because of the attractive moods they bring to all of you. Unfortunately the fabrics are not enough at all.

Task.

- (a) Assuming you have promised to make other copies of the batik fabrics for other siblings. Identify some materials and tools you can use.
- (b) Describe some steps you are to follow to come up with a well decorated fabric.
- (c) Apart from batik, describe other techniques of fabric decorations you know.

Item 4

Good clay is good after going through its right preparations process. One of your friends would like to prepare clay for his sculpture (in round) but he doesn't know how to prepare it.

Task

- (a) As a student of art and design, make a write up on how clay is prepared for your friend's sculpture.
- (b) Identify some methods he may use to make a good sculpture.
- (c) Choose one method from (b) above and describe the steps of working with it.

Item 5

There is a rampant theft in your community because of the continuous poverty. An organization has come up to reduce it and it has called upon different trainers of different disciplines in your area but art and design has not been included as part of the areas of concentration due to lack of knowledge about it.

Task

Assuming you are part of the board of governors for the organization and that you want to train some citizens some skills of doing art and design mainly drawing and painting from landscape and carving.

- (a) Convince the organization on the importance of art and design training to citizens.
 - i. Identify some orientations of drawing from landscape.
 - ii. Describe the different types of perspective and illustration.
- (b)(i) Try to inform the organization about the materials and tools that are required for carving.
- (ii) Identify and explain the different types of carving that you know.
- (c) Make a simple sketch of a landscape drawing and painting artwork from imagination.
