ICT CLUB Bukomansimbi ss has a SACCO where learners save 5,000 termly. This money is paid always at the beginning of the term when learners are reporting at school. Learners use it in the course of the term through taking loans to solve their emergency. All the details pertaining the club are recorded down a big 4 Quire black book by the treasurer of the club. Recently there was a hullabaloo from the club community over a one member who pejoratively regarded the club policy of keeping records in black book being primitive and not suiting the club aims and goals.

As books stand, learners take loans and return some profits in terms of interest. 1,000 is paid as interest rate in every 10,000 borrowed per month. 3% is added on the reducing balance in case one fails to pay the loan in time frame stated.

As books stand, Kakeeto Rayan of S.1 paid 5000 for the phone, saved 5000 for SACCO and has a loan of 20,000 that was taken on 14th June, 2024 and deadline for returning this loan is 13th July,2024. Nassaazi Winnie of S.3 paid 5000 for the phone, saved 5000 for SACCO and has a loan of 2,000 that was taken on 14th May, 2024 and deadline for returning this loan is 13th June ,2024 Mayiga Aksam of S.1 paid 5000 for the phone, saved 5000 for SACCO and has a loan of 20,000 that was taken on 14th June, 2024 and deadline for returning this loan is 13th July,2024. SSEMANDA NOAH of S.1 paid 5000 for the phone, saved 5000 for SACCO and has a loan of 200,000 that was taken on 24th May, 2024 and deadline for returning this loan is 13th June,2024. Kityamuweesi Francis of S.2 paid 5000 for the phone, saved 5000 for SACCO and has a loan of 40,000 that was taken on 19th June, 2024 and deadline for returning this loan is 18th July,2024. Task

1. As an ICT student who has knowledge about spreadsheets, help ICT club prevent hullabaloo by providing a write up comparing and contrasting the two spreadsheets and show good it would be if ICT club was using electronic spreadsheets to keep records instead of the big black book.
2. Practically demonstrate how the club treasurer can use spreadsheet to manage club records using the data in the scenario above. Don't forget the graphical part of it in case the teacher wants to quickly see those who have taken loans .

Deadline for submission is 27th June 2024
