SHAPTA is well qualified and certified private body that has anchored its self in improving the delivery of secondary school education with in Uganda. It comprised of a group of teachers and Facilitators well trained in handling the Competence Based Curriculum as per the Ministry of Education demands it. It is a private body that supplements on the efforts of the ministry of education and sports of creating a holistic patriotic citizen of the future through organizing refresher training courses in the Competence Based Curriculum, type setting papers in different subjects, writing and publishing the necessary literature needed in conducting classroom lessons as well as proof reading it.

We are constantly working together with NCDC and UNEB to see that we improve our service to this cause of improving education with in Uganda. Our main objectives are;

- Harmonize the gap between the supervisors of education and the implementers of Competence Based Curriculum.
- Create a smooth transition between the old and the new competence-based curriculum.
- Create affordable means in the different areas when it comes to conducting the Competence Based Curriculum.
- Improve and skill more teachers within the teaching process when it comes to conducting the teaching process and evaluating learners.
- Improve on the Continuous Assessment (CA) as suggested by UNEB and NCDC.
