Svery year in term one, Kakoge Primary School Election of prefects is conducted by Madam Babita Kevin the chairperson electoral commission. In second term, she drew up a program for elections. She announced it at the school assembly for three times. She explained the importance of leaders in a school, "Leaders help teachers organize the school, guide other pupils on the school routines and encourage discipline and team work" The teacher displayed the list of posts to be contested for on the school noticeboard. These included head prefect, health and sanitation, time keeper, head girl/ boy and many others. Application from suitably qualified candidates were received and sorted out. The candidates were interviewed by electoral staff to check on their fluency and life skills. Afterwards, the candidates were freed to canvass support and votes The Friday afternoon of 21st June 2024, the teacher organized the voting exercise which was by ballot. It was a tight race but in the end, Musengi Tito was declared the winner after polling 450 votes beating other three in the race of head prefect. Kingo Zubeda was the head girl after polling 270 votes after beating her rival by 30 votes. Elections 2024 ended successfully. Questions. 1. What is the passage about? 2. What are elections according to the passage? 3. Write any one reason why leaders are important in a school 4. In which school were the elections held? 5. Who put up the list of posts on the notice board? 6. Why did the electoral staff interview the candidates? 7. When did the teacher organize the voting of prefects? 8.
